Sir/

The Editor of Royal Numismatic Society of  
22 Albermarle Street, London, W. refers me to you  
to ascertain if you can inform me if the  
enclosed copy of which a Widow has the Original  
is still of value, as given \$100; also if the  
interest as you observe has not been paid since  
1865; If both are still payable to whom  
would we apply for payment?

Trusting to be favoured with a reply which  
will be greatly esteemed.

Respectfully yours

Geo Patterson
